anyare?

tobio felt as if he was in the middle of a coming-of-age movie as he leapt from the jeepney and weaved his way through the busy traffic of manila, to a certain tall blonde.

“uy!” he said while panting from the running he just did.

“what the fuck..... kageyama?” kei replies.

“ano ginagawa mo?”

“h-ha? shouldn’t i be asking you that question?”

“ako? nasa tabi-tabi lang ako, tapos nakita kita, so ayun! HAHAHA” tobio carelessly said.

“tabi-tabi, eh pinagpapawisan nga.” kei mutters. “uwi na ako.”

“ha? hoy wait!” tobio says as he tries to stop kei. “lakad na kita pauwi!”

kei turns around with an annoyed expression on his face, “seryoso ka ba?”

“wala rin naman ako gagawin eh hehe”

“bother someone else, i’m not in the mood,” kei replies as he continues walking.

"di naman kita bbwisitin eh," tobio says as he chases after kei.

"you're already pissing me off right now."

"sungit."

"you're free to leave."

after minutes of silence with just the sound of traffic and their footsteps to accompany them, tobio decided to strike a conversation.

"ano binili mo?" he asks while peeking through the paper bag kei was holding.

"none of your business."

"ice cream? ang cute naman HAHAHA" tobio chuckles as he successfully opens the bag.

"wala silang cake eh, i had to settle for this one."

"who would've thought na may sweet tooth ka? and strawberry pa HAHA"

"it helps me calm down," kei mutters.

"ah..." tobio wanted to ask more, but prevented himself.

"dito na ako," kei says as they stop at a tall building.

di niya ba ako aayain pumasok? tobio questions himself as he awkwardly shifts on his feet.

“i would invite you in, kaso magulo pa kasi kakalipat ko lang.”

“gege okay lang, ingat sa pagsakay ng elevator,” tobio replies internally cringing at his comment.

“uh, yeah. ikaw din.”

tobio starts walking away slapping his head as he realized how stupid his actions were. he couldn’t believe he left his friends just to walk a guy, that wouldn’t even talk to him, home.

“kageyama!” kei shouts at him. “sorry for earlier!” he adds.

tobio smiles, *ah bahala na, it was all worth it.*

kei looked serene as he sat on one of the benches on ust's lover's lane. he was sipping on a milk tea as he thumbed through the pages of a book.

"uy," tobio whispers, afraid to break the trance kei was in.

kei frowns at the disruption, "ikaw na naman?"

tobio jokingly clutches his heart, "grabe, sawa ka na agad saakin?"

"i swear to god, you have too much free time."

"de, lunch ko rin," tobio glances at the drink kei was holding. "yan lang lunch mo?"

"yeah, why?"

"hindi yan healthy."

"sino nagtanong?" kei sarcastically replied.

"masarap ba?"

"yup, ito lang milk tea na nakakaya ko."

"chatime? mas masarap pa rin macao."

"masyadong matamis, masakit sa lalamunan."

“nagsalita yung bumili ng 2 pints ng strawberry ice cream nung isang araw,” tobio replies as he rolls his eyes. “patikim nga!” he adds as he snatched the drink from kei’s hands.

“strawberry na naman? adik amputa,” tobio comments as he tasted the drink. “well, masarap nga.”

“told you, and wala ka bang manners ha? paano kung may sakit ako or something?” kei says as he takes the cup from his hands.

“eh wala naman, diba?” tobio replies, hiding the redness creeping up on his ears as he realizes that they just shared an indirect kiss.

tobio sits beside kei and opens his bag.

“anong ginagawa mo?” kei asks.

“wait lang,” tobio mumbles as he rummages through his bag. “eto, hati na tayo dito.” he says as he takes his lunchbox out.

“ha? why?” kei questions with a puzzled look on his face.

“kasi wala kang lunch,” tobio nonchalantly replies as he offers him the fork.

“are you doing this because you find me attractive?”

“luh, assuming. as a thomasian, parang di ko ata kaya makakita ng fellow thomasian na nagugutom.”

“ulul,” kei chuckles as he accepts the fork because he actually was craving for rice.

“uy, sakto, lechon!” tobio exclaims excitedly as he opens his lunchbox.

“hindi mo alam ano laman ng sarili mong lunchbox?”

“hindi, kasi roommate ko nagppack ng lunch ko.”

“wow, spoiled.”

“gagi, hindi. ako kasi nagluluto ng breakfast kaya siya sa lunch.”

“parang hindi ko ata kaya nang may roommate,” kei comments.

“mas mura kasi eh, tsaka mabait naman roommate ko kaya kebs lang,” tobio replies. “bat ka mag-isa ngayon?”

“my friends are all busy, and besides, i like the silence.”

“ay, nakakaabala ba ako? sorry.”

“no, it’s fine. i don’t mind.” kei shrugs as tobio chokes on his rice.

“uy? okay ka lang?” kei panics as he taps tobio’s back in an attempt to help.

“t-tubig,” tobio coughs out.

kei didn’t have any water, so he just offered his milk tea. tobio drinks it until he calms down.

“gago kasi eh, bigla nalang nagpapakilig,” tobio whispers.

“ano yon?”

“w-wala! ubusin na natin to, malapit na next class ko.”

“okay,” kei replies with his other hand still on tobio’s back, and tobio’s heart racing at this fact.

fuck, hindi na ata normal to.

tobio's palms were sweaty as he stood in front of kei's door, holding bags of groceries as a welcoming gift for kei. he wasn't sure why he was sweating, when the weather was miraculously cool and windy. ever since that incident at lunch last week, the mere thought of kei made his heart beat a little bit faster, and today was no exception. however, he had no time to prepare himself because the door was already opening, revealing the tall blonde that has been occupying his mind for some time.

"oh. why didn't you knock?" kei asks, while wiping his forehead.

tobio gulps observing the other's sweaty figure.

"a-ah, kakatok palang sana eh."

"what are you holding?"

"groceries, welcoming gift ko na sayo. tsaka di ko kasi alam kung may ipapangluto ako mamaya, kaya bumili na rin ako."

"sakto, walang laman ref ko eh," kei chuckles. "pasok ka na."

tobio removes his shoes as he enters kei's condo. it was nothing special, just a regular condo for a college student.

"sorry if there isn't too much space."

"ano ka ba, okay lang. lagay ko na 'to sa ref?"

"sure. after that, help me arrange this?" kei questions, while using the end of his white shirt to wipe his sweat, revealing a part of his abdomen.

putangina, tobio. ang dumi ng isip mo, tumigil ka nga. tobio rants in his head.

"kageyama?"

"ha? sorry, medyo lutang lang."

"okay ka lang ba? you don't have to push yourself."

"oo, volleyball player ata ako nung high school," tobio says smugly.

"that's a coincidence, i play too."

"eh? talaga? laro tayo minsan!" tobio excitedly replies, happy that they finally had something in common.

"sure, pero warningan lang kita, magaling ako," kei boasts.

"maniniwala lang ako kapag nakita ko na," tobio replies teasingly.

tobio was lying on the floor of kei's condo, panting after successfully finishing unboxing all of kei's furniture. kei was sitting on the couch beside him, gulping large mouthfuls of water. tobio can't help but watch in fascination, *may tao palang ganito ka-pogi.*

"what are you looking at?" kei asks as he wipes his chin.

"wala, ang panget mo lang."

"parang hindi yan yung sinabi mo sa tweets mo ah," kei replies with a smirk.

"gago ka! wrong send nga yon!"

"bumangon ka na, kala ko ba ipapagluto mo ako?" kei says while nudging tobio with his foot.

"bahala ka dyan, matutulog muna ako," tobio replies as he slaps kei's foot away and pretends to sleep.

there was a brief moment of silence, where the busy traffic downstairs was the only thing that could be heard. tobio thought kei left him, so he opened his eyes. to his surprise, kei was in the exact same position, looking at him.

"puta! ang creepy mo," tobio says as he sits up.

“parang kanina tinititigan mo rin ako.”

“bat mo ko tinititigan? crush mo ko?”

“wala, ang panget mo lang,” kei answers, repeating the same words tobio uttered earlier.

“kupal! bat palagi mo ginagaya mga sinasabi ko? you’re nothing but a second-rate trying hard copycat!”

“your humor is so weird,” kei replies, laughing.

“napapatawa ka naman,” tobio retorts with a toothy grin.

“daming alam. cook for me na, bilis,” kei says with a hint of red on his cheeks that tobio failed to notice.

tobio's knocks on the wooden door in front of him, nervously fidgeting on his feet. he was in front of kei's condo, a result of a spontaneous decision he made 15 minutes ago. it seemed like a good idea then, but not so much now.

after knocking three more times, kei finally opens the door. he looked disheveled and flushed.

"kageyama? what are you doing here?" kei asks in a hoarse voice.

"a-ah, di ka kasi nagrereply sa messages kaya pinuntahan kita," tobio answers, noting that kei's eyes were also puffy.

"fuck, anong oras na ba?"

"9 PM na. okay ka lang ba?"

"yeah, i'm fine. thanks sa concern but i'm not in the mood to entertain guests."

"ha? pero namumula ka oh. pinagpapawisan ka rin, kahit na naka-aircon condo mo."

"i said i'm fine. now go," kei repeats as he clenches his teeth.

kei was about to turn around, but tobio grabbed his arm and reached for his forehead.

“uy! ang init mo! may sakit ka? teka, uminom ka na ba ng gamot? kung wala, bibili ako sa baba. ay, dapat pala i-take muna temperature mo. saglit lang,” tobio rambles as he attempts to enter kei’s condo to find a thermometer.

“tangina, sabing okay lang ako eh!” kei snaps as tobio flinches.

“bakit ka sumisigaw? nagaalala nga lang?”

“sinabi ko bang magalala ka sakin? hindi naman diba? so bakit mo pinipilit sarili mo dito eh sinabi ko na ngang okay lang ako?! does it make you feel better? playing the hero? may complex ka ba na kailangan mong alagaan lahat ng tao sa paligid mo? kasi putangina hindi nakakatuwa. lahat na pinakialaman. i told you i’m okay, so bakit nandito ka pa rin nasa harap ko?!” kei shouts.

tobio slowly blinks as he registers kei’s words. *hindi ka pa nasanay, tobio. you’re always treated like shit, he’s not any different.*

tobio nods slowly and backs out of kei’s condo.

“sorry. di ko alam na ganyan pala tingin mo saakin. wag ka magalala, hindi na kita kukulitin. you won’t hear from me ever again.”

wakatoshi cringes as he enters the bar, welcomed by the loud music and blaring lights. he's never been one for parties, but he was worried for tobio, who refused to answer his calls.

"nasan siya?" kuroo asks from beside him. they all hurriedly came together, kuroo still wearing his uniform.

"gago! ayon nasa sulok!" mattsun exclaims as he finds his raven-haired friend downing a shot of tequila.

wakatoshi grabs tobio's shoulder, "putangina naman, tobio!" he says, unable to control his anger, but as tobio turns his head towards him — eyes glassy and cheeks flushed — he forgot why he was angry in the first place.

"toshi..." tobio starts, lips quivering.

wakatoshi sighs, this is gonna be a long night.

akaashi fumbles with the lock on kei's door. he was angry; angry at shirabu for reappearing in kei's life, angry at kei for being stupid, but, most of all, angry at himself for once again failing to take care of his best friend.

"ako na nga, akaashi," semi offers, unlocking the door instead.

"why is it so dark?" kiyoomi questions as semi opened the door.

"kei?" akaashi calls out. he only hears a grunt in response.

they entered the condo and glanced at the figure wrapped in blankets, lying on the couch.

"kei, what are you doing there?" akaashi asks as he brushes the blonde's hair.

"akaashi..." kei starts, voice hoarse.

akaashi sighs, this is gonna be a long night.

kei stares at the bright screen of his phone. *should i text him? should i apologize? should i reach out?* but he quickly dismisses these thoughts when he remembers how pained tobio was when he uttered words that hit too close to the boy's heart.

kei regretted it. but maybe this was for the better. he has nothing to offer tobio anyways. they haven't even known each other for long and, yet, he has already hurt him. what more if he decides to be greedy and get closer to him?

kei was still too wary to create new relationships, and too hurt to love again. yes, he is sure he made the right decision to push him away.

so, why? why does he crave for his home cooked meals? why does he feel somber every time he passes by the vending machine where they first met? why does he sit in lover's lane hoping a certain boy would come up to him, and offer him his lunch once again?

so, why does he find himself missing *him*?

kei has never felt more conflicted.

akaashi anxiously taps his fingers on the wooden table. while his friends were busy taking care of kei who has been out of his wits for the past few days, akaashi was also busy taking matters into his own hands.

he knew that nothing would happen if he leaves this matter to kei. although smart in academics, kei was surprisingly foolish when it came to love. even if he seems fine on the outside, akaashi knows kei is still shackled by past trauma and fear.

they say hate is a strong word, but it perfectly describes how he feels with the person he's about to see. he was the last person akaashi wanted to meet, but he needed to do this for kei.

he hurriedly glances at his watch for the ninth time since he sat down in this cafe.

the chair in front of him creaks.

"i see you're still as impatient as ever, akaashi."

"and you're still as impertinent as ever, shirabu."

akaashi couldn't wait until this meeting was over.

akaashi's phone was vibrating non-stop on top of the wooden table in front of him. it had been 10 minutes of awkward silence, and another 10 minutes of small talk.

"you're not gonna look at that?" shirabu asks as he takes a sip of his black coffee — no sugar, no cream. *matches his personality,* akaashi thinks.

"they can wait. this, however, can not," akaashi straightens up in his seat. "let me be frank, shirabu..... leave. kei. alone. he's finally moving on after months, and now you want to come back into his life like nothing happened?"

"who are you to tell me what i can or can't do?" shirabu scoffs.

"last time, i left you and kei alone because i trusted kei's judgment. but now, don't be so sure that i'll just sit idly by as you continue to destroy him," akaashi slowly stirs his iced coffee with the straw. "i'm not sure if you're aware, but my parents are lawyers, shirabu."

"a-are you threatening me?" shirabu stutters.

"what do you mean? sinabi ko lang na lawyers parents ko, it's up to you how you perceive that," akaashi smiles. "well, that's all i had to say. let's hope we never run into each other again."

kei nervously fidgets in his seat as he waits for tobio. he arrived an hour earlier than the agreed upon time just to be sure. he practiced the words he wanted to say repeatedly over his head for the past hour.

fuck, why am i so nervous?

but he knew exactly why he was nervous. it was because he didn't want to lose him. he's not exactly sure what he feels for tobio, but the idea of losing him was enough to make him shudder.

he has no idea when or where these feelings started to grow, but it's there and it's creeping on him..... and he isn't exactly complaining.

considering everything kei has been through, he's surprised that he is actually able to feel these emotions once more. of course, there's still the underlying fear, but he was not going to allow himself to be controlled by the ghosts of his past.

kei runs his hand through his hair for the 8th time.

kei glances at the clock hung on the wall. *5:01 pm.* it was getting dark, and he was also getting more worried as time went by. *where is he? is he coming? is he okay?*

kei's overthinking stops as a hand taps his shoulder.

"uy," tobio sheepishly greets him.

"kageyama..." kei trails off.

"uh..... di mo ba ako papaupuin?" tobio jokingly asks as he feels his legs get weary after standing outside for nearly 30 minutes.

"oh. upo ka, sorry. nagulat lang. i thought i was going to experience what being stood up feels like haha," kei nervously chuckles.

"ay, yabang. siguro lagi kang sinisipot ng mga ka-date mo no? can't relate," tobio replies as he takes a seat, massaging his shins beneath the table.

"so you think this is a date?" kei teases.

tobio reddens, "gago, hindi."

"ay, sorry if i made you uncomfortable. nasanay akong palagi kang inaasar."

"hindi, okay lang. sanay na rin naman akong kupal ka."

they both laugh at this. they both won't admit it to each other, but they miss this. they miss casually teasing and making fun of each other.

"so..... i guess i'll start?"

maybe it was because i loved shirabu that i became so blind to how toxic we really were. i tried so hard to make him happy, even if it meant sacrificing mine.

139

i was so naive, believing that i'd receive the same amount of devotion. maybe i was the problem. maybe i shouldn't have given everything i could to someone who wasn't even willing to lend me half of his.

it was a normal thursday. i was looking forward to finishing my classes because i was planning to surprise shirabu after. i planned a grand dinner for him on a restaurant i knew he loved, and i even woke up extra early to buy a bouquet of flowers for him all the way from dampa.

we haven't been on good terms lately and i really wanted to make it up to him. i was actually looking forward to it..... until my professor suddenly got a call.

"may tsukishima kei ba dito?" he calls out.

"that's me, sir," i reply hesitantly.

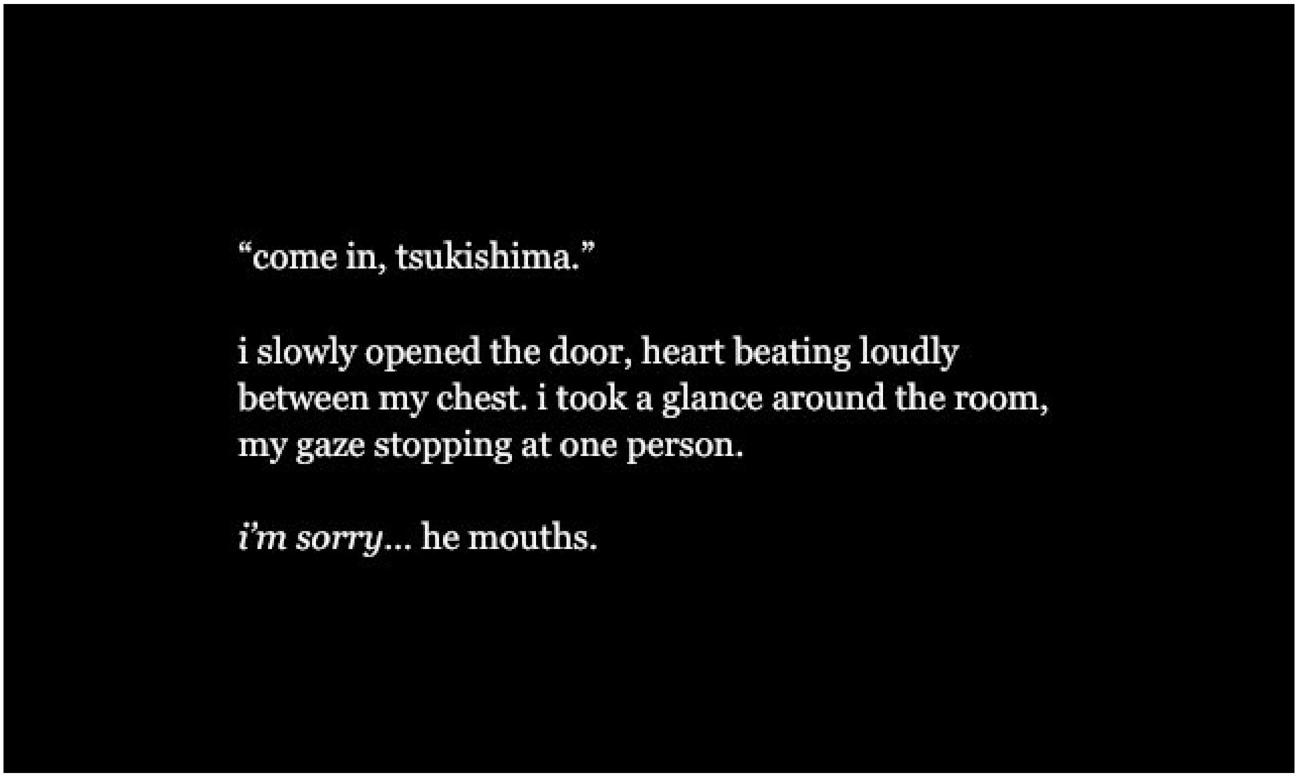
"the dean's calling you to his office."

"po? did he say why?"

"hindi eh, but it seems urgent. wag ka mag-alala, excused ka naman," he says, but that wasn't the reason why i was nervous.

i'm a stellar student. sure, my grades might have slipped in between semesters, but i've always made up for it. i knew that, yet why am i so nervous?

i packed my stuff and went out the classroom. when i arrived at the dean's office, i took a huge breath and knocked.



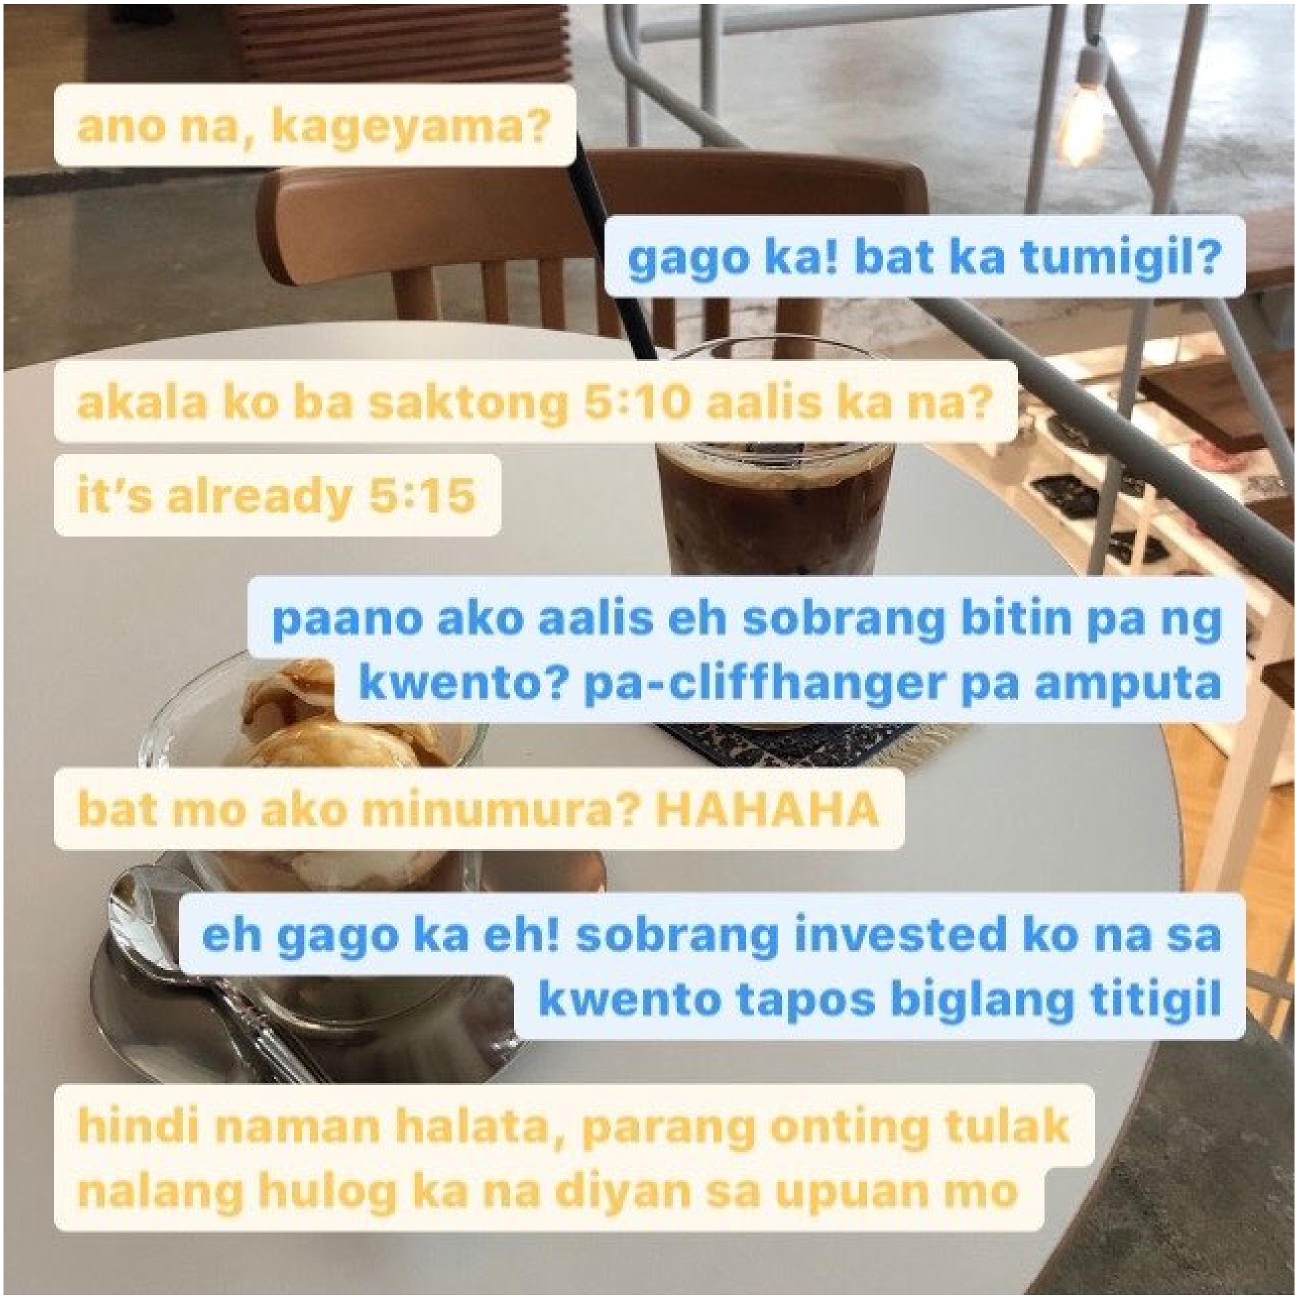
“come in, tsukishima.”

i slowly opened the door, heart beating loudly between my chest. i took a glance around the room, my gaze stopping at one person.

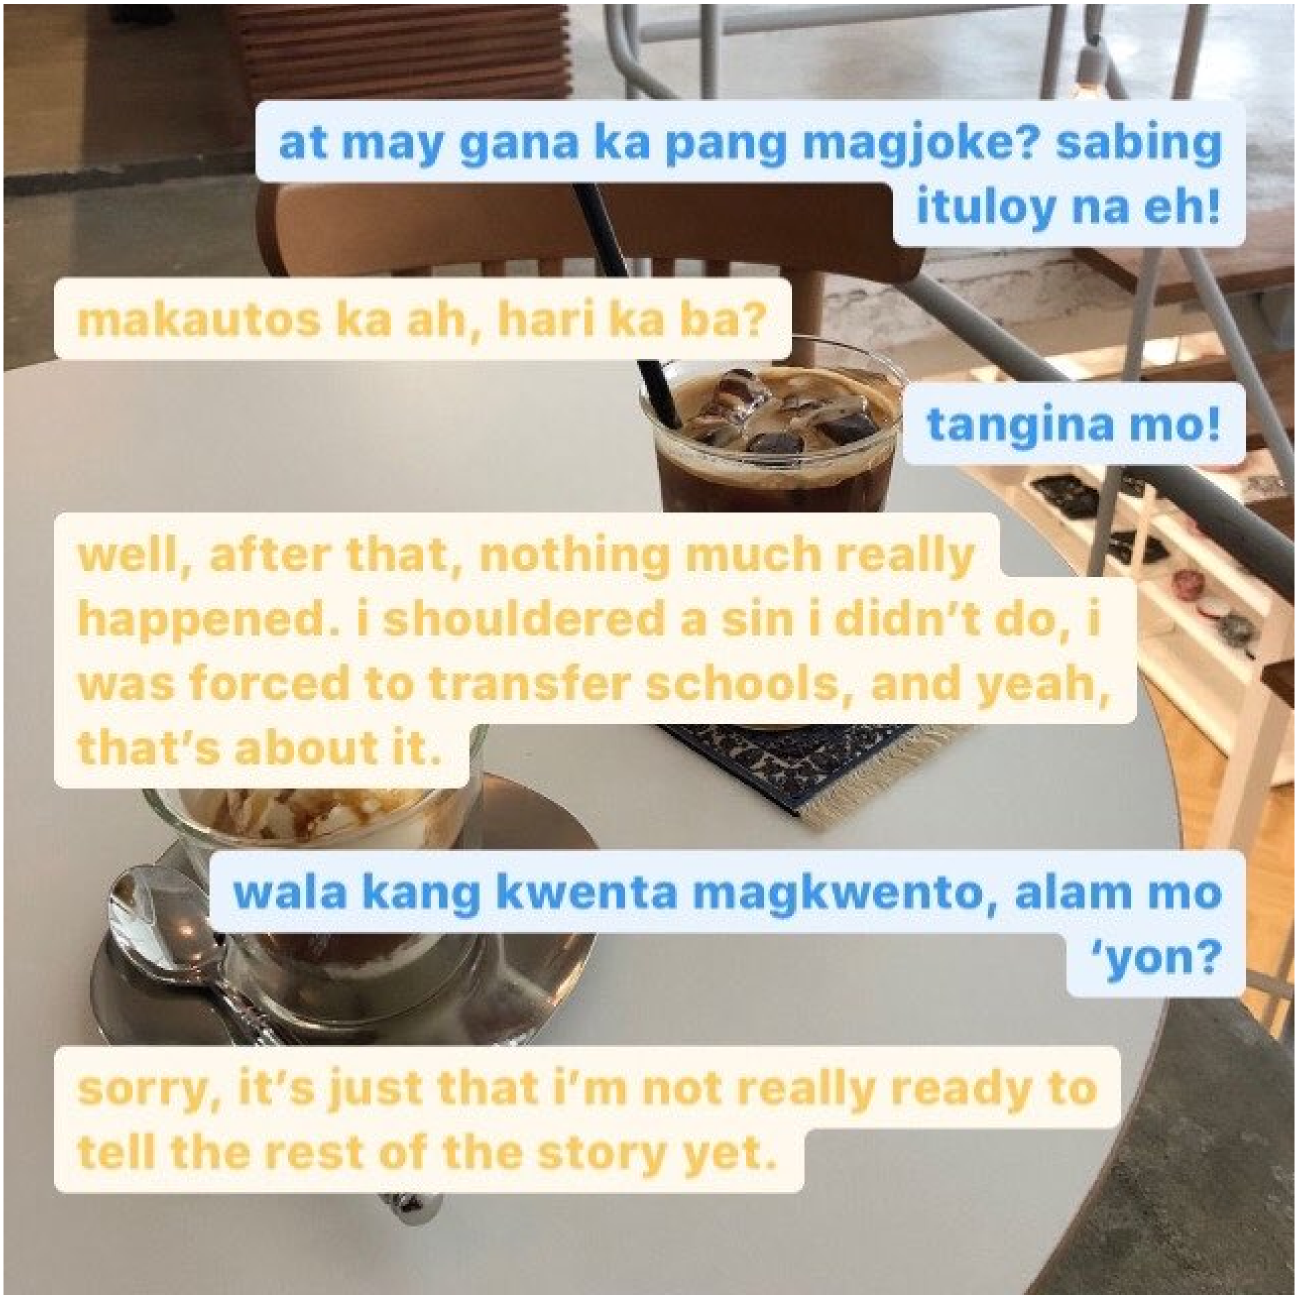
i’m sorry… he mouths.

141

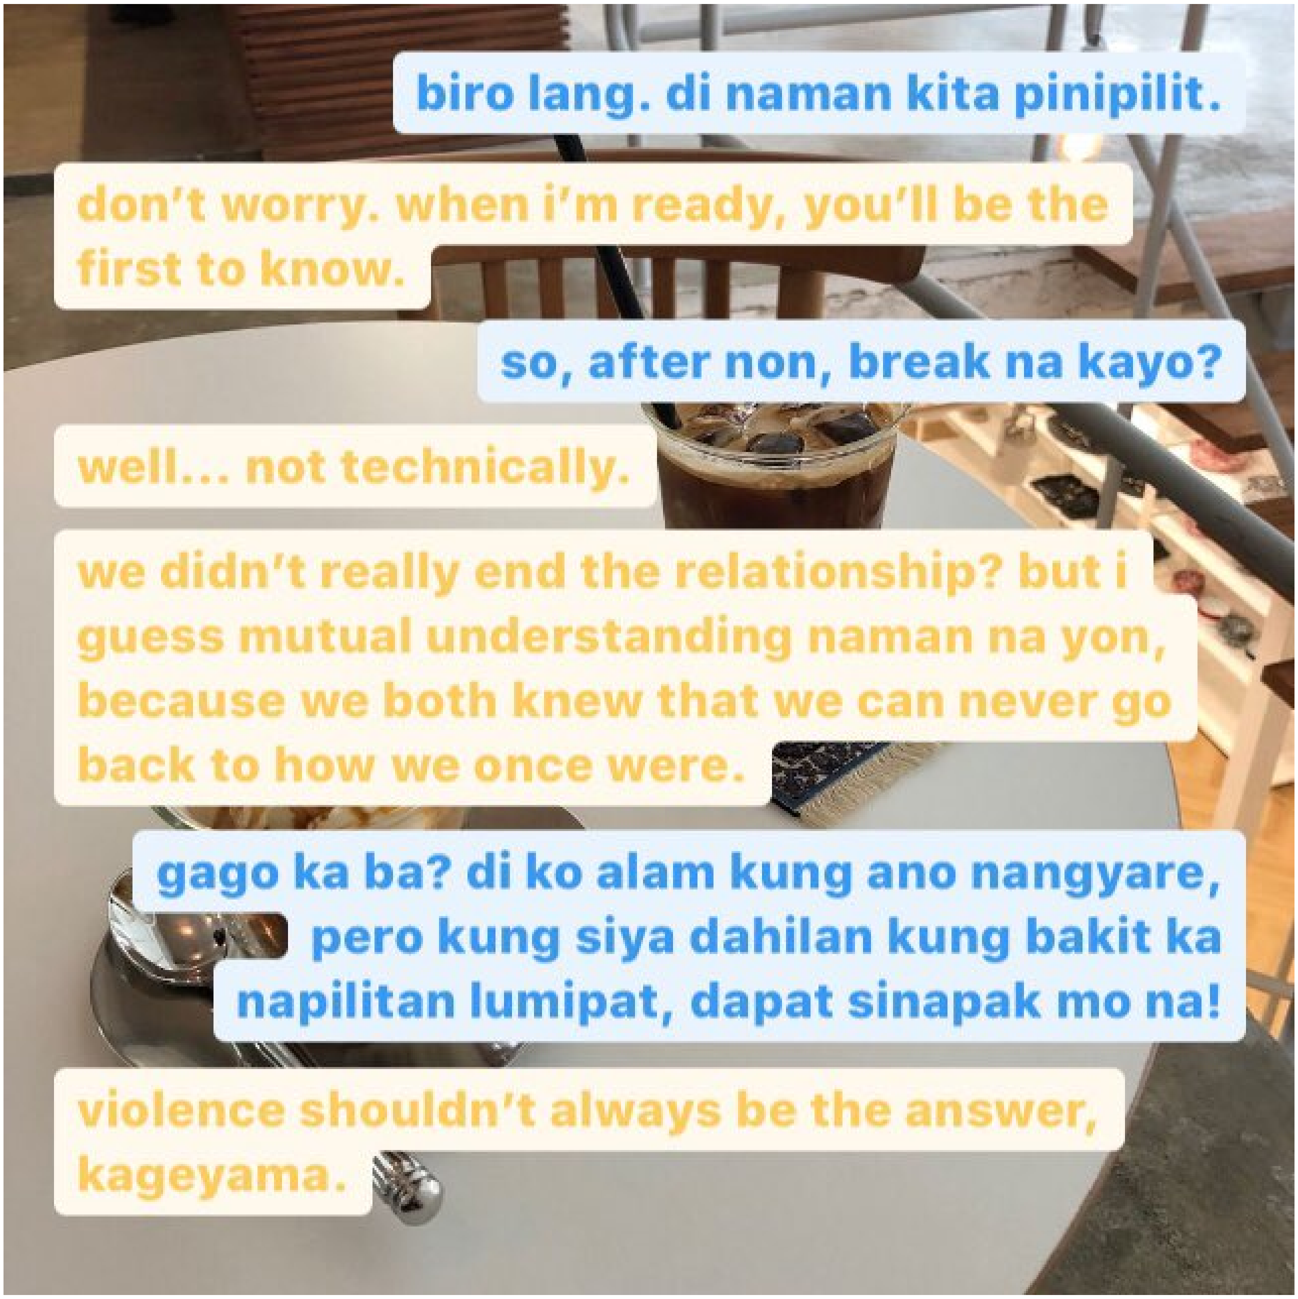
flashback ends here!



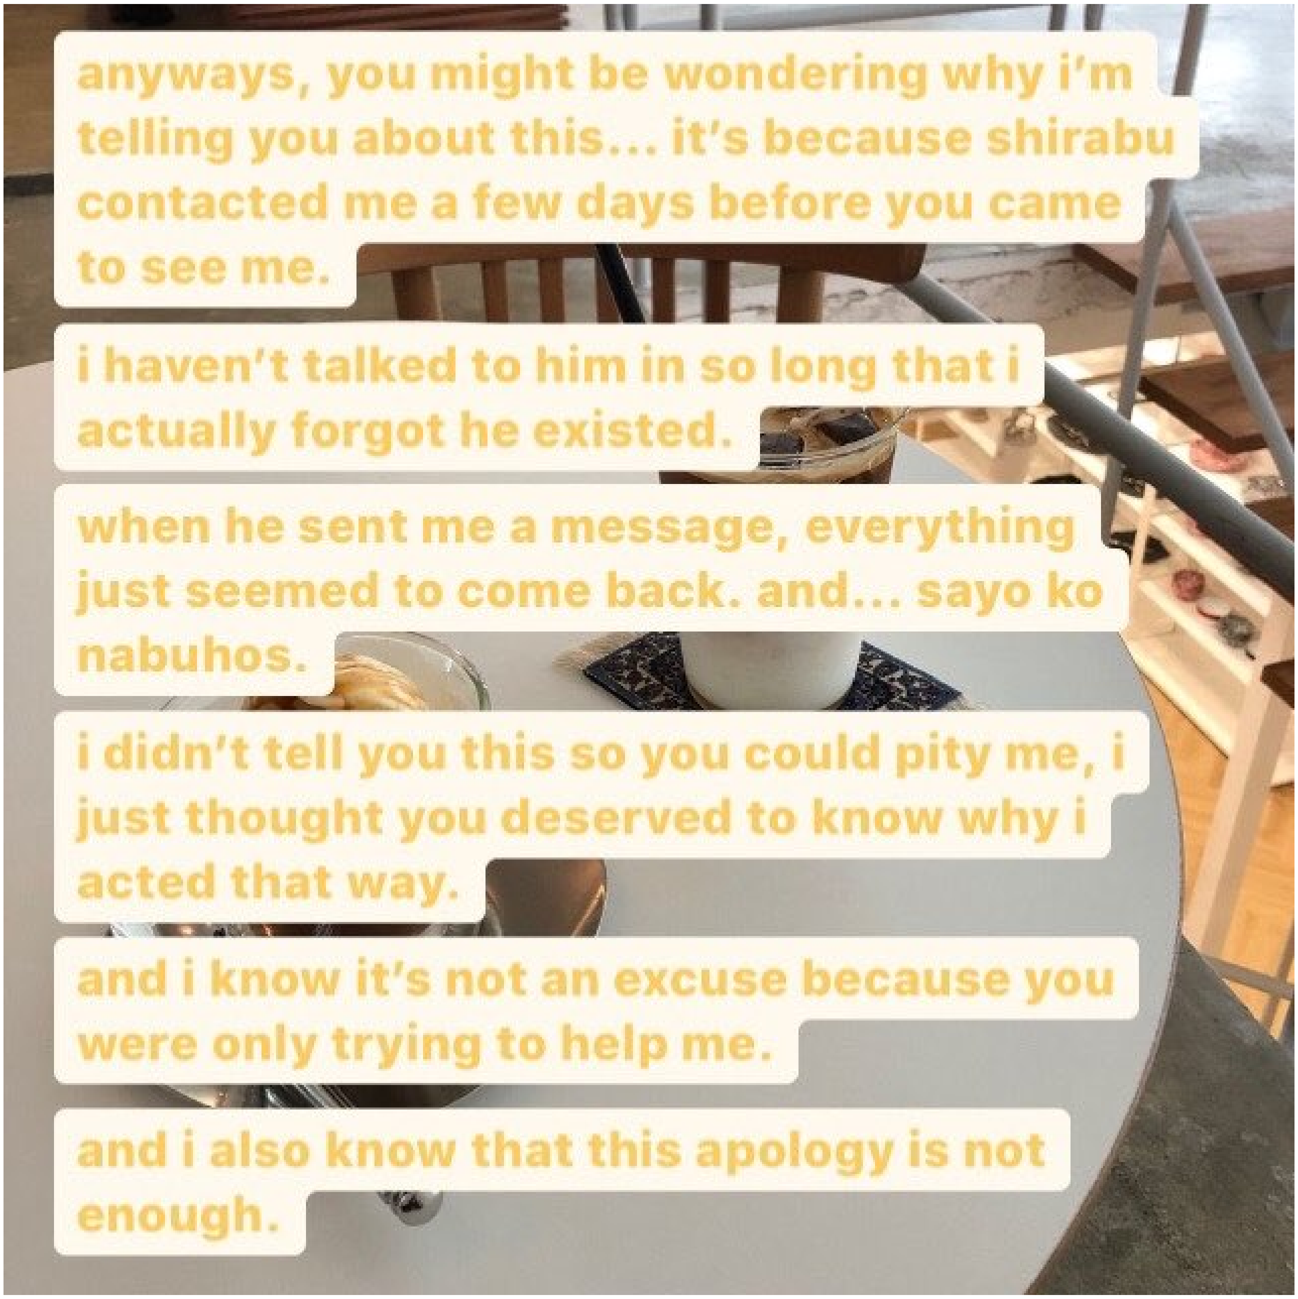
ano na, kageyama?
gago ka! bat ka tumigil?
akala ko ba saktong 5:10 aalis ka na?
it's already 5:15
paano ako aalis eh sobrang bitin pa ng kwento? pa-cliffhanger pa amputa
bat mo ako minumura? HAHAHA
eh gago ka eh! sobrang invested ko na sa kwento tapos biglang titigil
hindi naman halata, parang onting tulak nalang hulog ka na diyan sa upuan mo



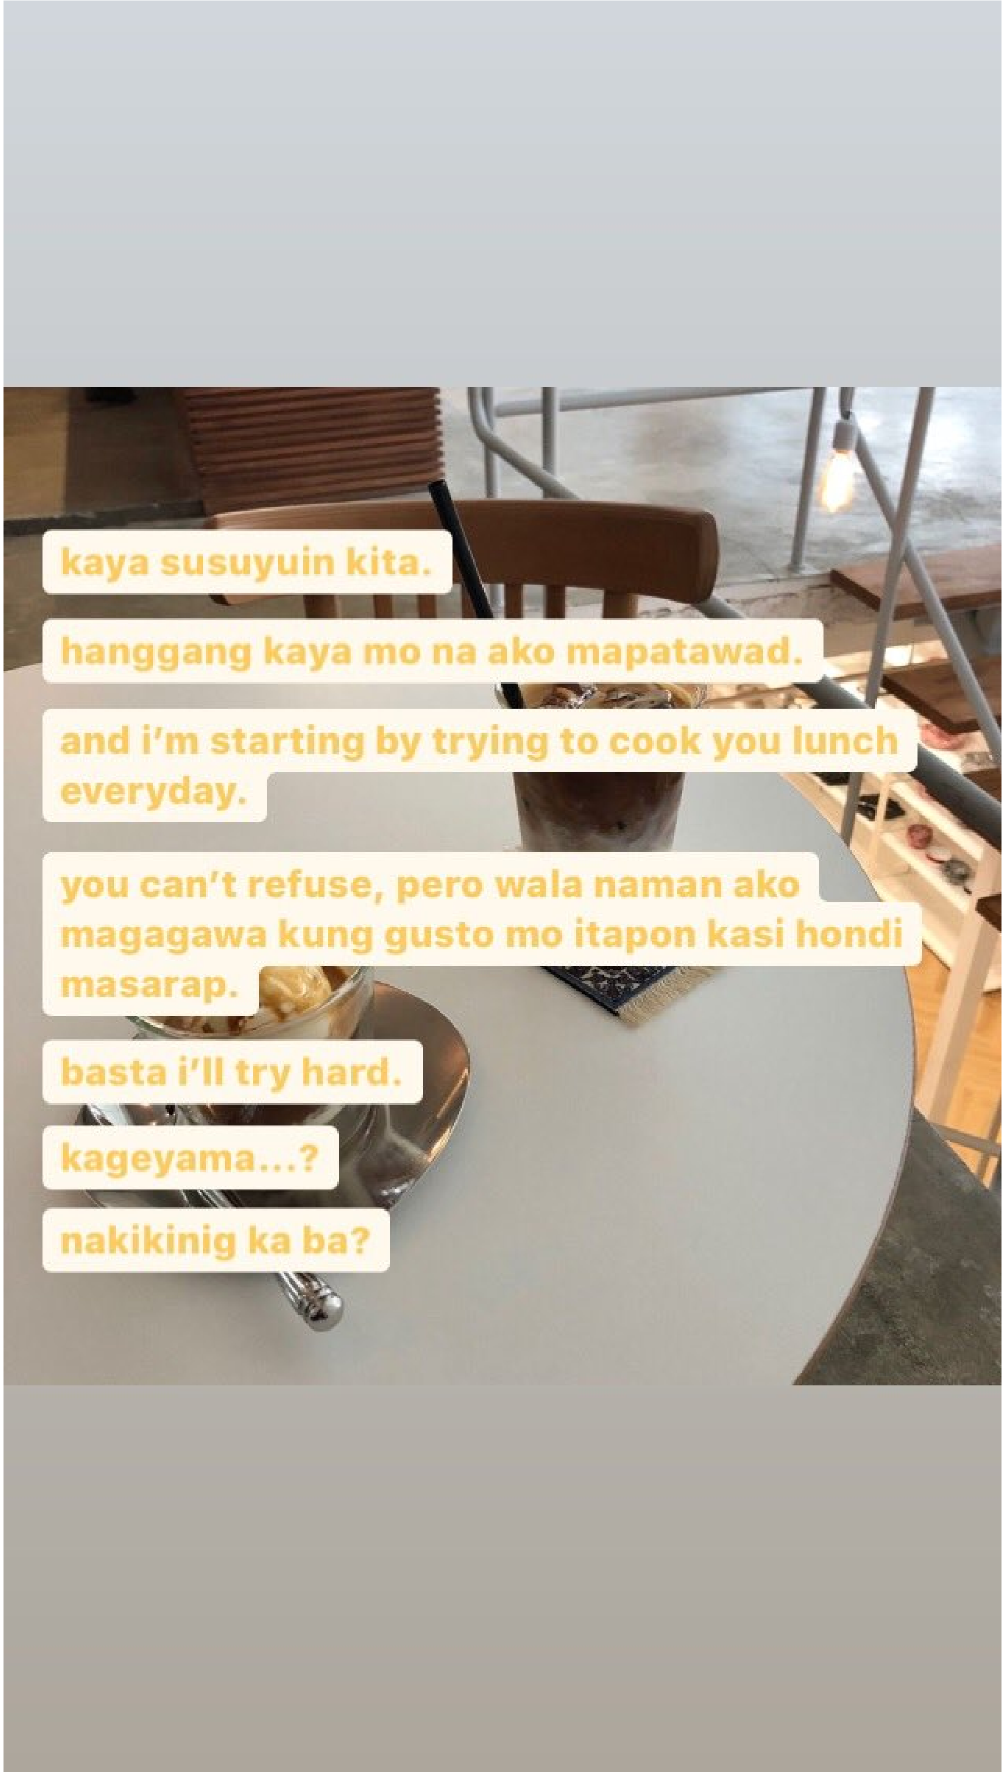
at may gana ka pang magjoke? sabing ituloy na eh!
makautos ka ah, hari ka ba?
tangina mo!
well, after that, nothing much really happened. i shouldered a sin i didn't do, i was forced to transfer schools, and yeah, that's about it.
wala kang kwenta magkwento, alam mo 'yon?
sorry, it's just that i'm not really ready to tell the rest of the story yet.



biro lang. di naman kita pinipilit.
don't worry. when i'm ready, you'll be the first to know.
so, after non, break na kayo?
well... not technically.
we didn't really end the relationship? but i guess mutual understanding naman na yon, because we both knew that we can never go back to how we once were.
gago ka ba? di ko alam kung ano nangyare, pero kung siya dahilan kung bakit ka napilitan lumipat, dapat sinapak mo na!
violence shouldn't always be the answer, kageyama.



anyways, you might be wondering why i'm telling you about this... it's because shirabu contacted me a few days before you came to see me.
i haven't talked to him in so long that i actually forgot he existed.
when he sent me a message, everything just seemed to come back. and... sayo ko nabuhos.
i didn't tell you this so you could pity me, i just thought you deserved to know why i acted that way.
and i know it's not an excuse because you were only trying to help me.
and i also know that this apology is not enough.



kaya susuyuin kita.
hanggang kaya mo na ako mapatawad.
and i'm starting by trying to cook you lunch everyday.
you can't refuse, pero wala naman ako magagawa kung gusto mo itapon kasi hondi masarap.
basta i'll try hard.
kageyama...?
nakikinig ka ba?

tobio couldn't reply because he was biting his lips too hard. he was afraid that once he opens his mouth, only a squeal would come out. he was so *kinikilig*.

"hey? ok ka lang? you look kind of red," kei worriedly asks.

tobio could only nod in response. he's never had anyone work so hard for his attention, and he has to say that it feels pretty damn good.

"uh... that's basically all i wanted to say. sorry if i took up your time," kei nervously adds, scratching the back of his neck.

"hindi, okay lang. i appreciate your efforts din naman. next time sana inform mo ako kung may nangyari sayo, kasi nakakapagod ding mag-alala at manghula haha"

"yeah, for sure. i'm really sorry, kageyama, and i'll really make it up to you! i swear."

"wag mong i-pangako, gawin mo."

how to treat first degree burns

153

kei's condo was a mess. the water in the sink was overflowing, broken pieces of glass were on the floor, and cabbage leaves were all over his living room. kei is good with his hands, but for some reason, cooking really just wasn't for him.

"fuck, sa wakas," kei sighs in relief as he presses the cold compress to his slightly burnt right hand.

calling his morning chaotic would be an understatement. he had no classes in the morning today, so he was able to focus on cooking for tobio. he thought that this would take 30 minutes, tops. but after two hours, he deeply regretted underestimating the time it would take. how was he supposed to know that beef in bulalo should be boiled for hours?

next time, i'll just sauté corned beef and call it a day.

sa tru lang gusto ko na siya patawarin, pero ang saya suyuin so 😋

hi, sorry it took a while. ang dami palang dorms dito, nalito ako HAHAHA
kaya nga sabi ko dapat sa campus nalang tayo magkita eh.
pasok ka. sorry, medyo cramped.
it's fine. i didn't expect your dorm to be so clean.
maooffend na sana ako kaso yung roommate ko talaga yung naglilinis dito eh HAHAHA
if you were my roommate, i'd kick you out.
tangina mo! nagsalita yung di marunong maghuhas ng pinggan
fuck off HAHAH i'm trying, okay?
anyways, here's your lunch. i just wanted to drop it off while it's still hot. sana masarap, pero first time ko kaya wag ka na maarte.

huh? aalis ka na?
yeah… why?
di mo ko sasabayan kumain?
uh… i don't want to impose.
ayaw kong kumakain ng mag-isa eh,
samahan mo na ako.
unless may plans kang iba?
wala naman…
are you sure it's okay?
oo nga, ang kulit.
upo ka na muna dyan sa bottom bunk,
linisin ko lang yung lamesa.

kei looked out of place in tobio's dorm. tobio was aware that his dorm was small, but seeing kei's tall frame occupy most of the space makes the room seem much more smaller.

"ano niluto mo?" tobio asks as he removes the used mugs on the table.

"bulalo," kei replies smugly as he sits on tobio's bed.

"yabang ah. pag yan di masarap, lumayas ka nalang," tobio jokes. "ayan, ok na. upo ka na dito."

kei abruptly stands up — forgetting that he was sitting on the bottom bunk, and hits his head on the metal frame of the bed.

"aray, fuck!" kei exclaims in pain. kei was expecting tobio to rush to him in concern, but what he got was a cacophony of laughter.

"shit! HAHAHHA tangina, tsukisihima! HAHAHAHAH puta, saglet. di na ako makahinga HAHAHAHAHA" tobio laughs as he clutches his stomach.

"tangina mo! wala kang kwentang kaibigan!" kei replies as he lightly pushes tobio to sit on the table.

"pucha, tsukishima! HAHAHA umiiyak na ako, grabe," tobio adds still not over the incident.

"shut up! kala ko ba gutom ka na?" kei says, eager to change the topic.

"eto na HAAHAH grabe talaga yung itsura mo kanina puta laughtrip," tobio mutters. "ay wait, kunan kita yelo."

"bakit kasi ang liit ng gap between the two beds?" kei complains, massaging the back of his head.

"tanga, ganyan naman talaga yan. ngayon ka lang ba nakakita ng bunk beds?" tobio answers as he takes a frozen pack of seafood because he had no ice. "eto na lang, wala pala ako yelo."

"okay lang, thanks," kei replies as he takes the pack.

"hoy, anyare sa kamay mo?" tobio questions as he sees kei's bandaged hand.

"ah, i burnt myself. but it's okay na naman," kei responds nonchalantly.

"gagi, napaso ka ba sa pagluto?"

"huh? hindi ah."

"tanga, di ka marunong magsinungaling."

"sabing hindi eh! i burnt myself while replacing the water in my car."

"gege, kunware naniwala ako."

"tangina mo!"

"ah minumura mo na ako?"

"tangina mo po. ayan ok na?"

they continue bantering until they finished their lunch.

"about damn time." kiyoomi comments as kei and tobio entered the restaurant. they were 10 minutes late and he had to sit through awkward small talk with people he doesn't know. he'd rather stay at home, to be honest.

"sorry, bagal magpatakbo ni kei eh." tobio replies, removing his jacket.

"wow, first name basis. sana all."" kuroo utters.

"bobo. if i've driven any faster, we would've been arrested." kei says to tobio as he sits beside akaashi.

"edi makulong na. puta, akala ko mamatay na ako sa gutom kanina eh."

"patay gutom ka talaga."

"kung magaway kala mo may label eh." semi remarks, laughing.

"may label naman kami ah." kei replies.

"ha?" tobio, along with everyone else exclaims.

"gago, anong label yan?" makki asks.

"friends HAHAHAHAHA" kei laughs.
